

KDLA Welcomes You as a New Public Library Trustee!

The Kentucky Department for Libraries and Archives (KDLA) is the state government agency whose mission is to support and promote access to library services and to ensure that documentation of government activities is created, preserved, and made available for public use. The most visible aspect of KDLA for public libraries is the regional consultant.

There are eight regions in KDLA's regional system. Each region is comprised of 15 counties and is served by KDLA Field Services consultants and staff.

Your regional consultant is a librarian who will be serving your need to know more about the details and varied requirements of your duties and will provide guidance and support as you navigate the complicated arena of contemporary libraries. All of the KDLA team is committed to helping your board, library director, and staff in creating a library that plays a valuable and indispensable role in improving the quality of life in your community.
